Ph.D Thesis Research Project: *Providing Clinical Services to Sex Offenders: Burnout, Compassion Fatigue and Moderating Variables.*
- 1988 **Kingston Sexual Behaviour Clinic**
Queens University, Kingston, Ontario
- 1988 **Regional Psychiatric Centre, Prairie Region**
Correctional Service of Canada, Saskatoon, Saskatchewan
- 1987 **Stony Mountain Correctional Institution, Stony Mountain, Manitoba**
M.A. Thesis Research Project: *Consistencies in the Personality Characteristics and Behaviour Patterns of Homicide Offenders: A Synthesis of a Police Techniques and Psychological Theory in Psychological Profiling.*
- 1983-1985 **Headingley Provincial Correctional Institution, Headingley, Manitoba**

Curriculum Vitae
Lawrence Ellerby, Ph.D., C. Psych.

EMPLOYMENT

Forensic Psychological Services, Ellerby, Kolton, Rothman & Associates

2004 - Present

Position: Forensic Psychologist, Clinical Director

Duties: Assessment and treatment (individual, group, couple, family) of a wide range of forensic clients, with specialization in the provision of clinical services to high-risk/high-need populations; youth and adults who have engaged in violence (e.g., homicide, random assaults) and sexual crimes (internet based sex crimes, sexual offences against children and adults, sexual homicides) and delivery of clinical services to special populations including developmentally delayed and mentally disordered offenders. Provide consultation, program development and training in relation to offender assessment, treatment and risk management. As Clinical Director provide oversight and management of the psychological practice and provide clinical supervision and case consultation to our clinical team.

FPS Psychological Health Services, Ellerby, Kolton, Rothman & Associates

2004 - Present

Position: Psychologist

Duties: Assessment, treatment and consultation to non-forensic populations related to issues of anger and aggression management, sexual compulsivity, and trauma.

FPS Therapy & Support Services

2004 - Present

Position: Forensic Psychologist, Clinical Director

Duties: Develop, oversee and supervise adjunct services to support treatment and risk management for forensic clients (adults and youth) as well as adjunct support services for non-forensic adult clients. Programs offered by FPS Therapy & Support Services include Community Integration Manager Support Services/FPS Personal Support Workers, Aboriginal Traditional Spiritual Healing Services and FPS Healthy Homes Residential Treatment Services.

Forensic Behavioural Management Clinic

Native Clan Organization, Inc.

1987 - 2004

Position: Clinical Director

Duties: Develop, manage and supervise community and institutional based sex offender treatment program, providing assessment and treatment services (individual, couple, family, group) to adults and youth who have sexually offended, coordinate the development and implementation of a traditional healing process for Aboriginal sex offenders, conduct consultation and training, responsible for public relations and media work. Develop, manage and supervise community and institutional based violent offender treatment programming.

Curriculum Vitae
Lawrence Ellerby, Ph.D., C. Psych.

Ellis, Lehmann & Associates

June, 2001 – November, 2003

Duties: Providing forensic assessment and individual counselling with adult and youth forensic clients as a Psychologist Candidate (C Psych. Candidate). Practice under the supervision of Dr. Eric Ellis.

Forensic Counselling & Consulting Services

November, 1991 - May, 2001

Duties: Providing forensic assessment services and individual counselling with adult and youth forensic clients.
